

E-PAPER PANEL

SUPER SIMPLE - SUPER EASY

Long-life Panel Solution!

The E-Paper Panel is a long-lasting, cable-less and ultra-low power room information device that seamlessly blends into all kinds of office environments and styles. Read-only E-Paper Panel will contribute to ensuring a professional yet totally untroubled meeting experience for all participants.

This thin and lightweight device is built with sustainability and ultra-low power consumption in mind and requires no interaction. It is a perfect and maintenance free solution that shows relevant meeting information.

The 4.2" or 7.5" E-Paper screen has a crisp and clear display ensuring optimal reading conditions.

New, simple meeting information screen! Our new screen is for the ones who need a very simple meeting display solution. The screen is battery-driven with a 3-year battery life. The panel is small, thin, and super lightweight, which is sublime if you want the benefit of booking hardware, but

don't want it to take up a lot of space in your office. This versatile panel can be used as room- or desk panel and provides easy overview for your employees. Please, contact sales to hear more about the new screen and how it can fit into your office.

- Battery-Driven
